PRINCIPAL’S WELCOME:

SMART START BBQ FOR 2015 KINDERS & FAMILIES

Last Friday night we held our SMART START Transition to School Barbeque for all of our new 2015 Kindergarten children and their parents.

This was a fantastic way for the children to further develop relationships and also for the parents to get to know each other before the school year starts.

Special thanks to Shellie, Danielle, Cindy, Kobe and all the other members of the P&C for organising this great community event. Many thanks must go to the parents, Mrs Gail Leonard and children who also come along, to help with the BBQ and meet our new families, in a relaxed and informal environment.

It was great to see many families and staff at the BBQ, meeting and greeting our new parents and Kinders.

It was such an enjoyable night for everyone.

WET AND WILD ENRICHMENT GROUP

Congratulations to Stage 3 students; Ella, Ivy, Imogen, Arabelle, Jessica, Caitlyn, Wyatt, Julian, Max and Tan who recently competed in the state wide “Wet and Wild Competition”, which was open to students in Stages 2, 3 and 4.

Many thanks to Mrs Karen Brown for leading and supporting the students in this public speakingendeavour. The quality of the speeches from all our students has been excellent. Special thanks to Mrs Karen Brown- Assistant Principal, for leading this very successful learning opportunity.

2014 ANTI-BULLYING PLAN REVIEW

Our school is currently reviewing the Mount St Thomas Public School Anti-bullying Plan in consultation with staff, parents and Dr Patti Rose - EdYouopia founder and leading expert on Anti-bullying programs and strategies.

We will soon post the draft review of the Anti-bullying Plan on our website, and request that you complete a survey to give us feedback on the plan.

Once feedback has been reviewed and implemented, the completed Mount St Thomas Public School Anti-bullying Plan will be re-published on our school website in 2015.

Many thanks for your support with this initiative.

YEAR 4 RED ROOM POETRY COMPETITION – FIRST PLACE

Red Room Poetry Object Competition is an international poetry-writing competition for students from Australia and New Zealand from Years 3-10. With 2550 submissions entered from over 1200 schools there was certainly plenty of competition. Created by The Red Room Company, the project invites young writers to submit poems about objects that are special to them. Schools were also invited to submit a group entry, which consists of a combination of all the poetry presented creatively.

HAVE YOU GOT THE SKOOLBAG APP?

Download our new communication app Skoolbag.

Skoolbag is a school Mobile App that communicates directly with iPhone and Android devices. It provides schools with an easy way to tell parents/carers everything they need to know, and it provides parents with the most convenient way to receive school notifications.

School newsletters, school notices and alerts are communicated directly to parent’s smartphone through the Skoolbag App.

To download the app, simply search for Mount St Thomas Public School in your App/Play Store.
Under Mrs Judd’s guidance and support, Year 4 students each submitted a poem, as well as a group submission.

Here is Mrs Judd’s report on the writing project submission: “The poetry was written and then displayed on paper kites and photographed being flown on the bottom oval.

This took our writing to new heights, our writing took off! We flew higher than we could have possibly thought with our writing (pardon the puns). The photographed presentation WON. We came first across Australia and New Zealand. On Thursday 13 November we were fortunate enough to attend the presentation and hear the judge’s decision. He spoke very highly of our submission and the children are eager to participate again next year.

A big thank you to Violet’s mother Jennine, for her contributions. We are truly blessed at Mount St Thomas to have so many parents willing to assist and share their talents.”

Congratulations to all the Year 4 students on this very prestigious win, you should be very proud of this international achievement. Many thanks to Mrs Kelly Judd, for leading this successful initiative with our students.

SMART START BBQ
What a fantastic night! A big thank you to the P&C and all of the supporters, who helped to make this night a success.

The buddies did a great job, escorting the little ones around and playing games. I’m sure that our new students and their families felt very welcome and are excited about starting school in 2015. Thank you to the many teachers who also came along and supported the evening. GREAT COMMUNITY SPIRIT!

FIGTREE COMMUNITY OF SCHOOLS-
STAGE 3 CREATIVE WRITING WORKSHOP
Last week, a number of Stage 3 students attended the Creative Writing Enrichment Workshop, hosted by Mount St Thomas Public School and run by Mrs Cheryl Truscott. These students learnt how to use a range of approaches to start their narratives in an interesting way. The students who attended the workshop were:
Caitlyn, Julian, Ella, Arabelle and Jessica.

Some examples of the engaging ways they began their stories are following.

By Caitlyn

"Please, please, please, can we go to the lions?" whinged my little brother Marc.

"No, it’s Caitlyn’s birthday so she gets to choose where we go. So, where to next Birthday girl?" asked Mum.

"The elephants!" I screamed out loudly, maybe a little too enthusiastically.

The 4th of November, my birthday, a day where I get to choose what I want to do. So I decided to go to the zoo. We got into the car and started driving to Taronga Zoo in Sydney. I wished the car ride wasn’t as long. I mean seriously, 1 hour in a car, I could be eating ice-cream, or rollerblading. Anyway, after the car trip we walked through the gates of the zoo. It wasn’t the first time I had been, but it was still spectacular. We were greeted by a beautiful blue peacock with a fascinating array of lovely green feathers.

We started walking around the zoo, looking at the animals, when my Dad asked, "Hey, where's Marc?" All of us were in a frantic panic searching everywhere for him: at the food court, near the ice-cream stand, by the monkeys (his favourite animal)... we searched everywhere! Although, it just so happened that there was one more place: the bird's cage. Now this isn't your everyday birdcage that Polly the parrot sits in blabbering away, but a room as big as a classroom. Instead of a solid wall, though, there was metal mesh for you to see the birds amongst greenery. Looking through the cage, I didn't just see birds in the greenery, I saw Marc in the greenery! Marc just sat there and pulled a biscuit out of his pocket. That probably wasn't the wisest thing to do, because the birds started darting at him from all directions. Meanwhile, my dad ran off to get a zookeeper. Finally, after what seemed like a thousand years, my dad returned with the zookeeper.

The zookeeper pulled at the door, but nothing happened. Then we cladded another zookeeper and he also pulled, but the door didn't move one little bit. Next we called all the staff at the zoo, so there was a looooooong rope of zookeepers lining up ready to tag at the person in front of them so that they could open the door, but nothing budged. Finally, we called the fireman. So they pulled and they tugged and they dragged and they yanked until BANG! The door fell to the ground allowing Marc to run out of the cage. Surprisingly, he only had a few scratches on his legs and a bruise on his forehead so he went with our mum to get some bandages. That was my birthday. All of this and I still didn't get to see the elephants. Maybe next time.
By Ella

All we needed was the box. The box was the critical part of the plan. When my best friend told me she had found it, I thought she was joking. Eventually, I believed her and she showed me how we were going to get it. I just never thought it would end like this.

“I can’t believe you talked me into this,” I stated, staring incredulously at the scene in front of me.

By Jessica

I am dreading tomorrow! Why? Because we’re moving. You may be thinking ‘it’s not that bad’ but it is, we’re moving to the country. Once again, why? Because my parents have recently gone brain dead and decided to move to the country. Honestly at first Dad was against moving because he’d lose all of his clients from his business, but Mum used her motherly powers to bring him over to her side. It’s not like my sister Lexi is helping either. She’s five and for the whole evening she’s been dancing around the house singing, “We’re all going to the country, la la la la la la!” I’m about to tell Lexi to be quiet, when Mum yells, “Bedtime. You have a big day tomorrow,” I couldn’t agree more, but I wouldn’t have said big day, I would have said, The Worst Day Ever!

FROM THE LIBRARY

The last day of borrowing and Home Reading for students is today, Friday, 14 November.

Parents, please do a BIG HUNT under beds, on book shelves, inside other books or the car and through the house to find and return any outstanding library books.

**LEAVERS IN 2014**
As all families would be aware, applications for Kindergarten to Year 6 enrolment in 2015 are now being taken. In 4 weeks’ time the decision will be made as to how many of the non-local applications can be accepted.

To do this as accurately as possible, we need to determine how many Year 6 students will be leaving, as well as how many other families will be leaving the school and NOT RETURNING IN 2015.

Please help clarify next year’s numbers! If you know or expect you will be leaving our school before the commencement of the 2015 school year, except for the current Year 6 going to High School, please complete and return the form below, as soon as possible.

We would be very grateful of your prompt advice, so we can more accurately estimate our enrolments for 2015.

**IMPORTANT MANAGING ANAPHYLAXIS IN OUR SCHOOL**

We currently have 7 students in our school with severe food allergies (anaphylaxis) to combinations of all types of nuts, eggs, dairy and seafood.

In order to minimise the risk in our school, we request that parents not send peanut butter on sandwiches or any nut products to school in your child’s lunch box, especially, if a class member is Anaphylactic, in early primary years.

Please check below to see if there is an anaphylactic child in your child’s class.

**Bringing Food to School:**
Also check with your child’s teacher if you are bringing in a Birthday Cake or other food, as steps must be taken to ensure that the anaphylactic child is not exposed to an allergen via this food source.
