**PRINCIPAL’S WELCOME:**

Welcome back to an exciting year of learning and teaching at Mount St Thomas Public School for 2015. I would like to welcome all our new families, new students and our new Kindergarten children to our school. This year we will continue to have a strong focus on quality teaching and learning, and demonstrating our three values of – Respect, Responsibility and Safety.

At Mount St Thomas we are fortunate to have committed and passionate teachers and staff, great students and a very supportive and generous school community.

I look forward to seeing you all at the many school community activities and events that the school has planned for 2015.

**STAFF NEWS**

I am very happy to announce the permanent appointment of Mrs Kelly Judd to Mount St Thomas PS. At the end of 2014, Mrs Judd gained her appointment through the Department of Education and Communities rigorous Merit Selection process.

I am also very happy to announce that Mrs Helen Bush has gained a Service Transfer back to Mount St Thomas PS.

Congratulations to both teachers; we are all very excited to have these excellent teachers on our staff and we look forward to their contributions to teaching and learning in our school.
**CLASSES FOR 2015**

Our new Kindergarten children have settled in well and their Year 5 buddies have certainly helped with this transition. It won’t be long before our Kinders are confident in the playground and classroom.

Any increase in enrolments up to Wednesday 11 February, could cause changes to class arrangements from Years 1 to 4.

**Class / Stage Structure:**

This year, with continued implementation of the new NSW English, Maths and Science Syllabuses, we will continue to structure teaching and learning programs in Stage groups (in both straight and composite classes), enabling children to progress at their own pace and work at a level appropriate to their stage of development.

**Why do we do this?**

Syllabuses written by the NSW Board of Studies for all NSW schools (both state and private), in line with the Australian Curriculum, are written in outcomes for STAGES.

The NSW Syllabuses require that specific skills and understandings are achieved by children at different stages:

- **EARLY STAGE 1**: KINDERGARTEN
- **STAGE 1**: YEARS 1 & 2
- **STAGE 2**: YEARS 3 & 4
- **STAGE 3**: YEARS 5 & 6

This structure supports children to achieve their stage specific outcomes in learning by the end of each stage, not necessarily by the end of each year. Not all children are ready to learn the same thing at the same time, due to influences such as maturity and learning readiness.

**2015 class arrangements and staffing are as follows:**

**CRUNCH & SIP BREAK**

Our school will continue to implement a Crunch & Sip Break around 10:00am each day to allow students to refuel on fruit or vegetables and rehydrate on water.

Crunch & Sip encourages fruit and vegetable snacking and drinking water. Healthy eating behaviours are modelled in the classroom and reinforce the nutrition messages in the PD/H/PE syllabus. By making fruit and vegetable eating and water drinking normal in the classroom, healthy habits can be formed and continued into adolescence and adulthood.

You can help your child participate in this initiative in the following ways:

1. Please provide your child with a clean, clear plastic bottle of water (with their name clearly marked).
2. Students will also need a small piece of fruit or vegetable to eat at their desk. The fruit can be any variety of fresh chopped fruit (whole fruit will take too long to eat), or vegies such as celery or carrot sticks or cherry tomatoes. (Do not bring dried fruits or tubs of fruit in juice).

No other food or drinks at this time are permitted. Thank you for your support.
CANTEEN OPERATION IN 2015
Gail Lenard, our School Canteen Operator will only be trading Wednesday to Friday, 8:30am – 2:00pm in 2015.

The canteen menu will be available at both Recess and Lunchtime on Wednesday, Thursday and Friday. A new 2015 menu is in this newsletter and available from the office.

LEADERS’ INDUCTION ASSEMBLY
The Leaders’ Induction Ceremony for School Captains, School Vice-Captains, House Captains and School Representative Council (SRC) representatives for 2015 will be held on Thursday 19 February, 2015 at 9:30am in the School Hall. All parents are welcome to attend.

2015 SWIMMING CARNIVAL
Our school swimming carnival for children in Years 3 - 6 (with some Year 2 children) will be held next week on Thursday, 12 February, 2015 at the University Aquatic Centre.

If your child has not returned their note and money to the office, please do so by Tuesday, 10 February. All parents are welcome to attend.

PARENT INFORMATION SESSIONS
Parent information sessions are planned for Weeks 4, 5 and 6 this term. Notes with all the class details will go home over the next two weeks.

These sessions will give parents general information regarding class routines and procedures and ways to support your children at home.

If you would like to have an individual discussion regarding your child any other time throughout the year, please contact your child’s class teacher to organise a convenient time for an interview.

ROAD RULES
Road safety around the school needs to be revisited from time to time to ensure all children and parents are aware of the road rules. I have included some information in this newsletter reminding families of some of our road rules. Please read and discuss the following road safety items with your family.

PARKING - In both Taronga Avenue and St Johns Avenue, parking and “drop offs” and “pick ups” can only occur outside the NO STOPPING and BUS ZONE areas.

SCHOOL PEDESTRIAN CROSSINGS – Unlike other pedestrian crossings, cars must remain stationary from the time the child is about to step onto the crossing, until they completely cross the road and step onto the kerb. Only two pedestrian crossings exist, one in Taronga Avenue and the other near the northern single gate in St Johns Avenue.

HUMPS – The school humps in Heaslip Street and near the school driveway gate in St Johns Avenue are NOT pedestrian crossings. Students should not be crossing here and cars should proceed as normal.

SCHOOL CAR PARK – For safety reasons, access to the carpark is for staff and deliveries ONLY. Students are never to be picked up or dropped off on school grounds (irrespective of the weather).

I hope this promotes some good discussion at home about road safety.

The safety of our children is always of the highest importance to us all.

MEDICATIONS AT SCHOOL
Most children at some stage will develop an illness where medication is required. When the child recovers to the stage where he / she is well enough to attend school and the course of medication has not been completed, the school can provide assistance in administering medication for a short period of time.

Department policy states that a written request and instructions for administering, accompany the medication and an Indemnity Form also needs to be signed at the office.

All medications are to be directed straight to the office where they are retained in a secure area and the School Administration Staff will oversee administration of medication to the child. Under NO circumstances is medication to be left in the child’s bag or classroom where other children may have access.

Your co-operation is much appreciated and hopefully medication brought to school will be kept to a minimum.
BIRTHDAY CAKES
All staff have requested that if any parents wish to celebrate their child’s birthday by sending in a cake, could you please ensure that it is of the type that is already in individual serves e.g. cup-cakes, donuts, lamingtons etc. This will eliminate the need to cut a cake into 30 pieces and place individually on napkins. It will also eliminate the inevitable mess from crumbs.

Please check with your child’s teacher or look at the class list of students with Anaphylaxis in each edition of the newsletter, to see if there are any children in the class with food allergies, as steps need to be taken to ensure these children do **NOT** come in contact with a food allergen.

MOBILE PHONES & ELECTRONIC EQUIPMENT
Parents are reminded that our school does not encourage children to bring mobile phones and other expensive electronic equipment to school. If it is absolutely necessary that your child needs to bring a mobile phone to school, it is our policy that the phone is given to the front office as soon as they arrive at school. It remains in the office during the day and is collected when the 3:00pm bell rings.

The school cannot take responsibility for mobile phones and electronic equipment that students leave in their bags. By doing this, they risk the equipment being damaged or stolen.

SUN SAFE
Teachers have been reminding children of the need to constantly look after their skin and protect it from the sun.

The sun safe policy was developed to highlight the need to have strong skin protective actions and the role that the school and parents can play in supporting this.

In particular we have been emphasising to children the “NO HAT – PLAY IN THE SHADE” rule. All children are encouraged to wear their school hat on every occasion they are out in the playground. Should they not have a hat after eating, the children will then move to a shaded area where they can spend the rest of the ‘break time’ playing in the shade.

P & C MEETING
Just a reminder that our first P&C meeting will be held next week on Wednesday, 11 February at 7.00pm in the staffroom. If you can find time to come along and be involved this year you would be most welcome. Your children would benefit immensely. We hope to see a lot of new Kindergarten parents there.

P&C FUNDRAISING MEETING
Our first Fundraising meeting will be held on Wednesday, 11 February at 6:30pm followed by the P&C Meeting at 7:00pm in the staffroom. Everyone is most welcome to attend.

HAVE YOU GOT THE SKOOLBAG APP?
Download our communication app **Skoolbag**.

**Skoolbag** is a school Mobile App that communicates directly with iPhone and Android devices. It provides schools with an easy way to tell parents/carers everything they need to know, and it provides parents with the most convenient way to receive school notifications.

School newsletters, school notices, P&C messages and alerts are communicated directly to parent’s smartphone through the **Skoolbag** App.

To download the app, simply search for **Mount St Thomas Public School** in your App/Play Store.

**IMPORTANT**
**Managing ANAPHYLAXIS in our School**
We currently have 7 students in our school with severe food allergies (anaphylaxis) to combinations of all types of nuts, eggs and dairy.

In order to minimise the risk in our school, I am **requesting** that parents **not** send **peanut butter** on sandwiches or any nut products to school in your child’s lunch box, especially, if a class member is **Anaphylactic, in early primary years**.

Please check below to see if there is an anaphylactic child in your child’s class.

**Bringing Food to School: Also check with your child’s teacher if you are bringing in a **Birthday Cake** or other food, as steps must be taken to ensure that the anaphylactic child is not exposed to an allergen via this food source.**

HOW TO MAKE PARENT ONLINE PAYMENTS (POP)
It is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the school's website by selecting $ Make a payment.

When you access the $ Make a payment you must enter:

- the student's name, and
- class and reference number OR
- the student's name, and
- date of birth.

These details are entered each time you make a payment, as student information is not held within the payment system.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner; these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed. Details of the payments are passed daily to the school, where they will be receipted against your child’s account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration Office.

MONEY COLLECTION AT SCHOOL
Parents are reminded that if they are sending money to school for excursions, performances, etc. the following procedures should be adhered to:

- Correct money, (change is not always possible) and permission note to be placed in a sealed envelope (preferably taped as money can fall out);
- Your child’s name, class, amount of money and reason e.g. “Zoo Excursion” should be written on the front of the envelope; and
- If paying by POP, please record the receipt number on the permission note and return it to school. Your child will be unable to attend the school activity without a signed permission note.

Your co-operation in this matter would be most appreciated.

Have a great week.
Regards,
Christine Schnebli
Principal
