Winter Uniform – Term 2

A 2 week grace period is given at the beginning of each uniform changeover term where students are permitted to wear either full summer or full winter uniform. (Depending on the weather)

Most of the required winter clothing items for boys and girls are now in the shop, so you may purchase them in preparation for Term 2. If you need an item that we are still waiting on please complete a current (March, 2011) order form and we will notify you when it arrives. Please, do not send money now* you can pay when you collect your order.

On the back of this notice you will find the updated Uniform Shop Price List (March, 2011). We try to keep our prices as low as possible to provide the best value for our school community. Our suppliers do update their prices annually and we need to pass this increase on. We try to keep any increases to a minimum.

You will also have noticed that we currently have 2 different sports polos. The newest polos are only available in small sizes ( upto size 8 ) and we will not be ordering bigger sizes until our existing stock of the old polos has been sold. This will possibly take 12 months, so please don’t think that you have to have the latest one now – the changeover will take time.

Be reminded that the Uniform Shop is run by volunteers who give up their time without cost, so that the Shop can pass on any small gain to the P&C for use in adding valuable, needed resources to our school and kids.

Commencing in Term 2 we will be doing a trial of opening the Shop 1 day per week. This will be on a Wednesday 8.30am – 9.15am. Your feedback is always welcome either directly or via the office

Nicole Ewels - Uniform Shop Coordinator
